Payment due dates, including discount periods, will be computed from the date of receipt of all goods and services or date of receipt of correct invoice, whichever is later. Any costs incurred by Buyer as a result of Seller's failure to comply with Buyer's routing instructions shall be borne by Seller.
 - (b) Notwithstanding any prior inspections, and irrespective of the Incoterm point named herein, Seller shall bear all risks of loss, damage and destruction to the goods until final acceptance by Buyer at the destination specified on the face of the Order. Further, Seller shall bear the same risks with respect to any goods rejected by Buyer or as to which Buyer has revoked its acceptance, from the time of such rejection or revocation. Title to and risk of loss of the goods shall pass to Buyer upon final acceptance.
8. **Delivery.** The parties agree that time is of the essence of each Order and deliveries must be received on the dates and at the destination(s) specified in the Order. If delivery is not completed within the time(s) specified, Buyer reserves the right, without liability, in addition to its other rights and remedies, to cancel the entire Order or that part of the Order not delivered, or to extend the time of delivery or payment. If timely delivery is not possible, through no fault of Buyer, Buyer shall have the right to direct Seller to make shipment by the most expeditious means and the total cost of such expedited shipment and handling shall be Seller's responsibility. No partial or complete delivery shall be made hereunder prior to the date or dates shown unless Buyer has given prior written consent. Buyer will pay only for maximum quantities ordered. In any event all goods and/or services ordered hereunder are subject to final inspection and acceptance at Buyer's premises within a reasonable time (but not less than ninety (90) days) after receipt at destination, notwithstanding any prior payment or prior inspection at source or elsewhere. Acceptance of any goods or services by Buyer shall not be deemed to alter or affect the obligations of Seller or the rights of Buyer under Seller's warranties, or to waive any latent defect. Upon written request of Buyer, Buyer or its designees shall have the right to access applicable areas of all facilities involved in performance of the Order and to inspect all records related there to. This access and inspection shall be provided for the purposes of verifying quality of goods and to perform assessments/audits of Seller's facilities and records to determine or verify Seller's capabilities and compliance with Buyer's quality management system requirements.
11. **Notice of Delay.** Seller agrees to notify Buyer immediately of any actual or potential event or situation affecting Seller or its business (including but not limited to material or transportation shortages) which might adversely affect Seller's timely and full performance of the Order. No such notification shall, however, affect Seller's obligation of full performance of the Order.

Any such change made at least thirty (30) days (or such other period as may be specified as "lead time" on the Order) prior to the scheduled delivery date of any affected goods shall be without any liability or penalty of any nature whatsoever to Buyer. Solely to the extent that any such change is made less than thirty (30) days (or such other period as may be specified as "lead time" on the Order) prior to the scheduled delivery date of any affected items (the "Claim Items"), Seller shall immediately take all steps necessary to minimize its costs with respect to such Claim Items. If any such change causes an increase or decrease in the cost of or the time required for performance of the Order, an equitable adjustment shall be made in the price or delivery schedule, or both, and the Order shall be modified in writing accordingly. No claim by Seller for adjustment shall be valid unless asserted within twenty (20) days from the date of receipt by Seller of the notification of change; provided, however, that such period may be extended upon the written approval of Buyer. Changes shall not be binding on Buyer unless evidenced by a writing signed by an authorized representative of Buyer. Nothing in this paragraph shall excuse Seller from proceeding with the Order as changed.
13. **Warranty – (a) Services.** Seller represents and warrants that all services shall be completed in a professional and workmanlike manner, with the degree of skill and care that is commensurate with competent professionals experienced in the relevant field. Further, Seller represents and warrants that the services shall be completed in accordance with applicable specifications and any statements of work signed by an authorized representative of Buyer and shall be correct and appropriate for the purposes stated therein. All warranties shall be construed as conditions as well as warranties and shall not be exclusive. Seller shall furnish to Buyer Seller's standard warranty and service guarantee applicable to the goods. All warranties shall run both to Buyer and to its customers. If Buyer identifies a warranty problem with the goods during the warranty period, Buyer will promptly notify Seller of such problems and will return the goods to Seller, at Seller's expense. Within five (5) business days of receipt of the returned goods, Seller shall, at Buyer's option, either repair or replace such goods or credit Buyer's account for the same. Replacement and repaired goods shall be warranted for the remainder of the warranty period or six (6) months whichever is longer.
14. **Tooling, Materials, Designs, Drawings, Equipment.** Title to all tooling and materials furnished or paid for by Buyer in connection with the Order shall at all times be and remain in Buyer. After the termination or completion of the Order, and upon the request of Buyer, Seller shall make such tooling and materials available for disposition by Buyer. Seller agrees that it will use any tooling, materials, designs, drawings, specifications, information, or equipment furnished by Buyer only in the design, development, or production of the goods or services called for in the Order and will not use any such items for any other purpose or disclose any such information to any third party except with Buyer's prior written approval. Seller shall not settle any such claim without Buyer's prior written approval. Seller agrees to pay or reimburse all costs that may be incurred by Buyer in enforcing this indemnity, including legal costs. (ii) The taxpayer is delinquent in making payment. A taxpayer is delinquent if the taxpayer has failed to pay the tax liability when full payment was due and required. A taxpayer is not delinquent in cases where enforced collection action is precluded.

(2) Examples.

(i) The taxpayer has received a statutory notice of deficiency, under I.R.C. Sec. 6212, which entitles the taxpayer to seek Tax Court review of a proposed tax deficiency. This is not a delinquent tax because it is not a final tax liability. Should the taxpayer seek Tax Court review, this will not be a final tax liability until the taxpayer has exercised all judicial appeal rights.

(ii) The IRS has filed a notice of Federal tax lien with respect to an assessed tax liability, and the taxpayer has been issued a notice under I.R.C. Sec. 6320 entitling the taxpayer to request a hearing with the IRS Office of Appeals contesting the lien filing, and to further appeal to the Tax Court if the IRS determines to sustain the lien filing. In the course of the hearing, the taxpayer is entitled to contest the underlying tax liability because the taxpayer has had no prior opportunity to contest the liability. This is not a delinquent tax because it is not a final tax liability. Should the taxpayer seek tax court review, this will not be a final tax liability until the taxpayer has exercised all judicial appeal rights.

(iii) The taxpayer has entered into an installment agreement pursuant to I.R.C. Sec. 6159. The taxpayer is making timely payments and is in full compliance with the agreement terms. The taxpayer is not delinquent because the taxpayer is not currently required to make full payment.

(iv) The taxpayer has filed for bankruptcy protection. The taxpayer is not delinquent because enforced collection action is stayed under 11 U.S.C. 362 (the Bankruptcy Code).

(ii) Seller has not, within a three-year period preceding this offer, had one or more contracts terminated for default by any Federal agency.

(2) "Principal," for the purposes of this certification, means an officer; director; owner; partner; or a person having primary management or supervisory responsibilities within a business entity (e.g., general manager; plant manager; head of a division, or business segment; and similar positions).

(b) The Seller shall provide immediate written notice to Buyer if, at any time prior to contract award, Seller learns that its certification was erroneous when submitted or has become erroneous by reason of changed circumstances.

(c) The certification in paragraph (a) of this provision is a material representation of fact upon which reliance was placed when making award. If it is later determined that the Seller knowingly rendered an erroneous certification, in addition to other remedies available, Buyer may terminate this contract for default.
